

SAVING LIVES THEN. CHANGING LIVES NOW.

HULL LIFESAVING MUSEUM

THE HARBOR ILLUMINATION – JULY 30, 2016

A time-honored Hull tradition: as the sun goes down over Hull Bay on the last Saturday in July a necklace of light made of a thousand individual flares circles the shoreline to create an awe-inspiring moment of beauty and magic. Flares burn for 30 minutes creating a magical interlude of serenity and beauty. In the silence a bagpiper is rowed slowly along the shoreline, adding a final touch of magic to the evening. Immediately prior to the lighting of the flares a parade of illuminated boats led by the Boston Harbor Pilot Boat, has processed around the Bay, with the Boston Fire Boat anchored in the background sending spectacular plumes of red and white foam skyward. Prizes are awarded for the Best Illuminated Craft and presented at the Illumination Post-Party held at the Sunset Bay Marina restaurant.

Leading up to the Harbor Illumination itself *The Illumination Festival* presents a full program of activities for all ages, drawing visitors into town from Boston and all along the South Shore in advance of the Illumination itself. Starting at 3pm this year's Festival will offer:

- Live music from 3 bands playing from 4pm-8pm
- 6 food vendors
- A stimulating mix of non-food vendors
- Face painting
- Children's Games led by Jen Piepenbrink of Macaroni Kids

The Festival Field is located two short blocks from the shoreline where the Boat Parade and Illumination can be viewed at sundown. A shuttle bus service connects the Festival Field with nearby parking.

The Illumination and Parade of Lights is supported by a paid advertising campaign in local print media, extensive social media, and local poster campaigns.

5,000 copies of the Illumination Program Booklet are distributed free of charge at the Festival site and from focal tourist locations in town. In addition to describing the time and program of events the Program Booklet carries ads and messages from individual sponsors.

HARBOR ILLUMINATION: SPONSORSHIP LEVELS

Corporate and philanthropic support is vital to Hull Lifesaving Museum's mission to preserve the history and ethos of the celebrated lifesaving crews of the Massachusetts coast, and to continuing HLM's outreach rowing programs that imbue the surfmen's values and skills, in future generations. An association with the Hull Lifesaving Museum Illumination will provide your company with access to an engaged audience in the affluent towns on the South Shore adjacent to Hingham and Hull Bays. Standard Sponsorship Levels are listed below. Please contact us if you would like to customize your sponsorship package.
